

SPECIALTY CARBIDE BITS

Relton can manufacture special diameters and lengths for most of our products. We will manufacture custom designs to your blueprints or other specifications, even in 1 piece quantities. If you don't see what you need, just ask us to make it for you!

Extra-long, Dry-cut Core Bits

Plate Cutters

72" Drilling Depth
(usually 2-day delivery)

Extra-Length SDS+Quik-Lok™ Adaptors

Bits for Seismic Retrofit

Dual Diameter Bits

How to order a special masonry bit

1. Specify diameter and drilling depth.
2. Specify straight rotary or hammer.
3. Specify core bit or single-insert bit.
4. Specify manufacturer's drill motor model number (if hammer bit).

Example:

2 1/2" x 10" hammer core bit for Milwaukee 5300
